

“Breaking barriers and building lives, one step at a time.”

The Cornerstone Project

We are quite pleased with our first month of Adult Day Habilitation Services! We have had a great time with our participants both in the community and with our In Center Projects. Let's make December a month to remember! (Didn't know I'm a poet, did ya?)

You will find the calendar of events for December on the reverse side of this letter. During this month, we will focus more on our In Center Projects; with the main focus on creating the cottages that will house our candles. We will continue with our other projects as well so things don't get too boring and mundane!

We will not be visiting SkyZone this month. Due to the physical nature of Skyzone and limitations on S.S. during this time, we have decided to hold this community activity. We wish S.S. a speedy recovery as SkyZone is a favorite place for S.S.

Please bring money for lunch outing on December 4th. We will have lunch at CiCi's Pizza. Buffet, drink, and tax are typically around \$7.50. We will have lunch early this day as we have a meeting with the administrative staff at W.A.R.M in regard to jobs that we are able to do at their facility.

No lunch or lunch money will be needed on December 23rd. Cornerstone will provide lunch for everyone.

No monies will be required for Bare Bowl or Keiko's this month.

We thank our current individuals for participating in the program! Our goal is to build a great program for you. Step by step, we absolutely will make it.

We invite those that are interested to give us a call and come check us out to learn if our program would be a good fit.

Finally, as we are now entering the months of winter, please note that in the event of inclement weather, we will contact each participant to make notification of the center closing or delays.

Stay Warm!!!!

Kindest Regards,

Cornerstone Supported Living, LLC
